

## DRIVER PROFILE: GEORGE SHEWEIRY SNR

---

Date of birth: Not yesterday!

PMC member I'd most like to beat: No one in particular, just keen to get out on to the track and have some fun.

Scariest motorsport moment: Several years ago racing at the now sadly defunct Bay Park Raceway in my Pre 65 Mustang. Early in the race and going real hard out, went roaring down pit straight, braked for the super fast lefthander after the start finish line and the car suffered brake failure, car turned sharp left and hit the huge tractor tyres that marked the inside of the corner. Wrecked the Mustang and momentarily knocked myself out.

Hobbies: Para Gliding.

Favourite food/drink: A good steak and a Rum and Coke.

Started racing: 1974.

Favourite circuit: Bay Park, closely followed by Teretonga.

Racing highlights: Successfully started up the Production Muscle Car club and its race series, been running for approx 13 years now. Winning back to back Pre 65 series championships; 1994/95 season and 1995/96 season. Buying and racing 2000 model Trans Am Mustang, ex Grant Sylvester.

Race car: 1977 XC Ford Falcon Cobra, the race car I use predominately.

Engine: Cleveland 376 ci.

Wheel size: Front 17x11, Rears 17x13.

Gearbox: Top Loader.

Tyres: Kumho Ecsta XS.

Brakes: Standard with performance pads & aftermarket performance brake rotors.

Suspension: Fitted with 1750lb front springs, modified and lowered rear springs.

Sponsors: Amber Electrical/

Thanks To: Dave Clark, Roseanne.
