

DRIVER PROFILE: JOHN JAMIESON

Date of birth: 1947.

One thing I always take to the track: Coca Cola.

PMC member I'd most like to beat: Mike Oldham.

Scariest motorsport moment: When competing at a drag meeting, racing my Plymouth Barracuda, engineblew just before finish line. Traveling at 130mph the rear tyres instantly got covered with oil causing the car to spin and lurch violently up onto two wheels. Fortunately car came back down on to four wheels with out hitting anything else.

Hobbies: Collecting classic cars.

Favourite food/drink: Steak and Chips, D.B.

Started racing: 1967 in the then saloon car class in the dirt at Waikaraka Park raceway.

Favourite circuit: Pukekohe Park Raceway

Racing highlights: Biggest highlight would be through my drag racing career, winning nine championships in a row in the Super Stock Class.

Race car: 1971 Jensen Interceptor.

Engine: 3 440ci Chrysler.

Wheel size: 17x9 all round.

Gearbox: 4 speed Toploader.

Diff: 9inch Ford with Detroit Locker

Tyres: Goodyear Eagle F1's

Brakes: Standard calipers front and rear with race pads.

Suspension: 1600lb front springs, leaf spring rear, lowered, Koni shocks.

Sponsors: Myself.

Thanks To: Ken Hopper, myself!
